The principles she teaches you could help you fit many patterns to yourself if you are an experienced sewer. However, all you really learn to fit are dress slacks, dress shirt, and a camisole/vest. No instructions are provided for dresses, skirts, or jackets. You do learn a neat techniques for making a pattern out of your favorite pair of pants. If a book on tailoring garments you already have is what you're

looking for, a more comprehensive guide would serve better.0 of 0 people found the following review helpful.
