**Stephanie Pearl-McPhee : Things I Learned From Knitting: ...whether I wanted to or not** before purchasing it in order to gage whether or not it would be worth my time, and all praised Things I Learned From Knitting: ...whether I wanted to or not:

1 of 1 people found the following review helpful. Great fun By E. Oster If you are looking for patterns for entrelac toilet paper cozies, this isn't the right book. If you are looking for a book to help rationalize making such a thing, which of course would require investment of time and money to research and acquire the perfect pattern and the perfect yarn, let alone making the darn thing, this book is great! Or if you just want to snicker at some of the antics of truly obsessed knitaholics smug in your relief that you aren't THAT far gone (yet), that's ok too. Whether you are a knitter or are

trying to understand one, and there isn't a KnitAnon or similar support group for loved ones of crazed knitters, at least you'll know you're not alone,0 of 0 people found the following review helpful. Great book from a great writerBy RobbyGreat book from a great writer. It is on the compact side which makes it problematic to fit on the bookshelf but that is the only issue I've had with it.0 of 0 people found the following review helpful. Five StarsBy nancWhat a great little book! Every beginner should read this!

With a knitters perspective, Stephanie Pearl-McPhee describes the astonishing wisdom and hard-to-swallow truths that are embedded in everyday clichs. Youll laugh with Pearl-McPhee as she realizes that babies grow after spending nights knitting a now-too-small sweater. Beginning is easy, continuing is hard takes on a new meaning to the knitter who has five projects going, but wants to start another. The next time you drop a stitch, take a cue from this insightful collection and remember, if at first you dont succeed, try, try again.

Pearl-McPhee had the crowd in ahem stitches. A front-page feature in the Atlanta Journal-Constitution covering Stephanies event stated, Its like our version of Woodstock, Atlanta business owner Karen Jacobson observed wryly of the event. Another quote reads, Its like when I saw the Beatles in 1964. Better, actually. This time I didnt have to hitchhike to get there.
