William Spawn, Thomas C. Kinsella, Thomas E. Kinsella, Bernard C. Middleton : Ticketed Bookbindings from Nineteenth-Century Britain before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ticketed Bookbindings from Nineteenth-Century Britain:

This long awaited work on nineteenth century British bookbinders' tickets has been a labor of scholarly love for the noted authors, as well as a major addition to the literature on bookbinding identification. Hundreds of binders' tickets are illustrated with well researched background material. There are also 17 pages illustrating over a hundred leather bindings in full color. This unique reference work belongs on the shelf of every collector, conservator, and binding

historian. Co-published with the Bryn Mawr College Library.
