**Akiko Ishikawa : TinyShiny Origami Bird Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised TinyShiny Origami Bird Book:

0 of 0 people found the following review helpful. Fantastic little bookBy Stefan MischookI just picked up a copy for my niece and she's loving it.The books basically has a bunch of hand drawn (colorful) diagrams detailing how to create all kinds of origami birds - great for kids and adults who are into crafts.... You can tell the author took special care producing the book; it just feels authentic.

The TinyShiny Origami Bird Book. Twenty (20) hand-drawn, full-colour origami bird projects, with simple instructions that anyone can follow. Create elegant paper birds in hundreds of colours and patterns, using widely available origami paper. Fun for children and adults. Akiko Ishikawa has been making origami since she was a girl living in Tokyo. She has published many origami projects and articles about Japanese arts and crafts on the popular website TinyShiny.com. Many people in Japan love origami, from little children to old folks. These days, there are many different types of origami creation. Some of them are incredibly complicated to make, but I have always preferred simple origami designs. In this book, I will introduce you to some origami bird designs I like. My favourite origami bird is the Crane. It is a classic and very famous motif. I drew all the diagrams by hand and added simple instructions, easily understood by anyone. Even the beginner should have no trouble putting together these origami bird projects. My hope in making this book is that people of all ages can discover the joy of paper folding and the

wonderful art of origami.

About the Author Akiko Ishikawa is the creator of TinyShiny.com, a popular resource for arts and crafts and origami creation. She is an accomplished jewelry designer, illustrator and origami artist. Her original tiny Origami Earrings designs have inspired many imitations and been sold worldwide. She has been making origami since she was a girl, living in Tokyo. She has published many free origami projects and articles about Japanese arts and crafts on her website. Living and working in Canada and Japan, she continues to share the simple pleasure of folding paper into beautiful objects.
