I guess I'm going to have to start doing a whole lot more research on books before I buy them.4 of 4 people found the following review helpful. ... pairs of actual socks and we had a really good laugh when the book arrivedBy EricI'm giving this 5 stars because my wife thought she was purchasing 12 pairs of actual socks and we had a really good laugh when the book arrived. Keep your feet warm and cozy all through the year! A celebration of socks, *Toasty Toes: Socks for All Seasons* includes 12 fabulous patterns, one for each month. From the textured stitches of January's Thermals Socks, to the fancy florals of May's Rose of Sharon Socks, to the evocative imagery of November's Bare Bark Socks, there's

something for every toe-up sock knitter.

What a beautiful selection of colors!! Can hardly wait to become rich and order this kit!! My fave is Turkish Delight!! --knitpicks.com
