Melissa Morgan-Oakes : Toe-Up 2-at-a-Time Socks before purchasing it in order to gage whether or not it would be worth my time, and all praised Toe-Up 2-at-a-Time Socks:

0 of 0 people found the following review helpful. Easy to Follow!By CarolynI really love this book. The instructions are the easiest that I have come across! Besides doing two at a time I have learned some other tips that I am using. Have done one pattern and am using parts of another now! Well worth the money.Sure glad I bought it1 of 1 people found the following review helpful. Good bookBy Dawn LI love this book but the kindle version wasn't helpful because the text referred to page numbers, which the kindle version doesn't have, so I bought the print edition, which is nice because it's hardcover and has spiral bound pages.0 of 0 people found the following review helpful. Could be betterBy Regina SmithAll of the patterns have a "Heel Flap" which I don't like. I prefer the afterthought heel.

Knit two socks at a time, while working from the toe up! In this delightful guide, Melissa Morgan-Oakes shares her revolutionary knitting technique that allows you to try on the socks as you work, avoid running out of yarn, and steer clear of the dreaded Kitchener stitch to finish off the toes. You can apply this exciting new technique to absolutely any sock pattern to help you to knit fabulous, perfectly formed pairs of socks for the whole family.

About the AuthorMelissa Morgan-Oakes learned as a child to crochet, tat, and sew without commercial patterns. When her children were small, she created award-winning sewn and crocheted garments. Melissa later taught herself to spin and knit, so she brings the perspective of a self-taught knitter to her innovative methods. She now teaches and designs patterns for WEBS, America's Yarn Store. Melissa lives in western Massachusetts with her family.
