Paper Toys and Easy to Play Games - Suitable for Toddlers, Kids and Adults!:

Toy Making and Toy Games shows you how to create your own beautiful toys out of wood and paper. Ideal as a companion text for the beginning woodworker or young parent eager to create a unique toy for their child, this book introduces the reader to the basics of crafting truly delightful toys. Suitable for the absolute beginner, this book guides the reader with precise instructions. The assembly of durable, sturdy toys made of wood, plus disposable toys made of paper are covered in detail. The text is characterized by plain, straightforward English which is easy for both adults and older children to understand. Illustrated diagrams sketch and portray approximations of each toy, allowing the reader to easily and quickly comprehend each step of assembly without confusion. Additionally, the book shows how to best to make use of certain toys. A series of ideas for games involving the toys you'll create adds an extra dimension to this already useful guidebook. Thus the reader happily receives the twin pleasure of creating wonderful handmade toys, and using these creations to their greatest potential.
