John Grams : Toy Train Collecting and Operating: An Introduction to the Hobby before purchasing it in order to gage whether or not it would be worth my time, and all praised Toy Train Collecting and Operating: An Introduction to the Hobby:

Whether you're a collector or operator or both, toy train enthusiasts can always use more information about your hobby--such as how and why to collect and operate vintage toy trains. Beginners will enjoy this introduction to the hobby; experienced collectors and operators will appreciate the thoughtful discussion on the subject. Offers information on every aspect of the hobby. Lists manufacturers; describes key trains and accessories; outlines layout

construction and includes nearly 100 photos to show concepts.
