Five Stars By Janet May great information and patterns. 1 of 2 people found the following review helpful. Not very detailed or clear. By Eva Not much content and very poor instructions. Wouldn't recommend it for anyone but a very beginning stitcher. The beginner instructions are alright.

Easy to learn, this beautiful traditional Norwegian form of counted-thread needlework incorporates only a few basic

stitches, works up quickly, and can be readily adapted to a variety of projects. 50 beautiful and authentic designs, with instructions. 55 photographs.
