Shuji Tamura : Traditional Japanese Embroidery: Instructions for the Basic Techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Japanese Embroidery: Instructions for the Basic Techniques:

0 of 0 people found the following review helpful. Great book for beginners!!By BDI own all three editions of this book, this edition being the original from what I understand. The other two are bound like regular books with a spine. The accordion style to this edition allows it to lay flat and open while you work. One side is a series of classic Japanese embroidery designs, the other is full color examples of each technique. Great book for beginners like me.3 of 3 people found the following review helpful. ExcellentBy PennyExcellent instruction book!2 of 2 people found the following review helpful. Five StarsBy DhyanaThis jewel of a book was more than I anticipated.
