Sheila McGregor : Traditional Scandinavian Knitting (Dover Knitting, Crochet, Tatting, Lace) before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Scandinavian Knitting (Dover Knitting, Crochet, Tatting, Lace):

5 of 5 people found the following review helpful. Highly recommended!By luciamiaIt's another wonderful volume from Sheila MacGregor. This time she tackles Scandanavian knitting country by country and technique by technique. Plus there are the traditional motifs and how to incorporate them into your own designs. This, and its companion volume: Traditional Fair Isle Knitting, are essential to any knitter's reference library. You can wade through endless websites or go straight to the source, Sheila MacGregor. Highly recommended!0 of 0 people found the following review helpful. Interesting and Informative.By Mary AnnThis book turned out to be a bit different than I'd expected,

but I'm very glad to have it in my knitting library. It's not intended to be a book of cute patterns to make for women and children. It does discuss various regional and national styles, how they developed, and historical photos. It also has many traditional stitch patterns. Fascinating!
2 of 2 people found the following review helpful. A good well written book on Scandinavian Knitting
By Robin I love this book. I love to knit plus reading about the history of knitting; the book covered both these subjects, the patterns are good, not flaky . There are a lot of charts to use .The research is thorough. Another good book from Sheila McGregor.

An expert on traditional Scandinavian knitting explains the distinctive craft's origins, its various types, and knitting techniques in this classic guide. Sheila McGregor's in-depth treatment ranges from the regional styles of Norway, Sweden, and Denmark to those of the North Atlantic Islands of Faeroe and Iceland. Vibrant patterns for an array of garments include jerseys, gloves and mittens, stockings, and caps. Illustrated with 191 black-and-white and 20 color pictures, this volume is well known and prized among longtime practitioners of the craft. Its return to print will delight a new generation of knitting enthusiasts.
