2 of 2 people found the following review helpful. Good e-book By Charlie Tsali This is a good book for basic/intermediate knowledge of tomahawk making. I enjoyed the reading made simple, tasks at hand in making. Its always amazing at the skills people embrace. 1 of 1 people found the following review helpful. Very informative book. By piercewelding Really enjoyed this book. I'm looking forward to using the techniques that the author shared and I can't wait to forge my first tomahawk. 1 of 1 people found the following review helpful. Five Stars By Graypiper Very well written.

Learn how Native Americans and early blade smiths fashioned the fierce and fantastic tomahawk. There are fewer cool edged weapons on the planet, says author Joe Szilaski, a regular contributor to BLADE Magazine and an accomplished knife and tomahawk maker.
