**Jan Beaney, Jean Littlejohn : Transfer to Transform** before purchasing it in order to gage whether or not it would be worth my time, and all praised Transfer to Transform:

7 of 7 people found the following review helpful. Consise and inspiringBy pattymJan Beaney and Jean Littlejohn are innovators in the art quiltingworld! This book (only 24 pages but packed with information) containsmany color photos of the results using transfer paints and crayons, directpainting and crayon applications, resists, printing, monoprinting,layering colored sheers, and stitching the results. Some of thesupplies are British but we now have so many commercial fabric paintingproducts in the US that substitutions should be easy to find.0 of 0 people found the following review helpful. Transfer to TransformBy Linda ShearinThis book met all expectations - clear instructions, creative ideas, great examples. Jan Beaney and Jean Littlejohn do a great job!

Printing techniques to build patterns and images are covered, together with methods for layering and cutting back on fabrics.
