Chris Cozen : Transfers and Altered Images: with Acrylic Gels and Mediums before purchasing it in order to gage whether or not it would be worth my time, and all praised Transfers and Altered Images: with Acrylic Gels and Mediums:

0 of 0 people found the following review helpful. Love, LoveBy EnigmaLove, Love, Love this book, as do my friends and co-workers! I will be taking a class with Golden's rep later this summer, so sure to learn even more about transfers and altering images in creative ways. I have searched for something like this book for almost a year. It is spot on!50 of 52 people found the following review helpful. Excellent transfer infoBy M. FregiaYes, this book(let) is short and Golden products are featured, but it is crammed with beautiful work, ideas, and practical instructions on a wide variety of proven techniques.I had already signed up for an online class before I got this book - but Transfers and Altered Images is better at one third the price. This is like having a friend demo all her great tricks for you!Use another brand of gels, etc., if you want to, but take advantage of Chris Cozen's expertise with this book.1 of 1 people found the

following review helpful. Five StarsBy WenikiGreat book. Helpful resource, Book as described.

Chris Cozen demystifies the "transfer" process so that you too can transform your papercrafts into stunning keepsakes.

About the AuthorChris Cozen is a mixed media artist who enjoys working with Acrylics in all their forms. She loves the excitement that occurs when you combine incredible color with pattern, form and texture. She teaches many classes throughout Southern California each year.
