If you can read knitting charts (and if you can't, join Ravelry.com and learn!), you will enjoy this treasure of a book. Well worth the \$50 I paid. Highly recommended.0 of 0 people found the following review helpful. Beautiful, intricate, elegant knitting patterns.By DressmakerBeautiful, intricate, elegant knitting patterns. They are represented in charts, so you don't really need to know Chinese or Japanese (this book is available in both languages).1 of 1 people found the following review helpful. Stunning!By PamelaExpensive, but wonderful. You have to have some experience to use this book.
