The pictures are black and white drawings, they make easy to study the motifs (for colors someone must look other sources). Fast international delivery. 0 of 0 people found the following review helpful. Great reference book for creatives that want to include turkish/central ... By Customer Great reference book for creatives that want to include turkish/central asian designs in their work. Large detailed pieces, a skinny book but has all the essentials for a beginner, a classic not to be missed. 0 of 0 people found

the following review helpful. Expected betterBy Senior Consumer-in-ChiefWow what a great topic. What a great cover. Turkish ceramic design is all bout color and beautiful graphics. Where is the color? There is NO color (well about 2 pages!). This is all just BW line drawings!! Would be a great deal at \$.25 with free freight.

Royalty-free motifs clouds, lotus flowers, animal and bird forms, geometrics, medallions, borders and much more drawn from prized medieval Turkish-Ottoman pottery. 110 plates. Captions.
