Mr Roland Berberich : TT Gaming Issue 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised TT Gaming Issue 1:

0 of 0 people found the following review helpful. Four Stars (990 Kindle Locations)By The ChroniclerInteresting magazine though short. The articles goes from taking a look at the miniatures game "Urban War", comparing painting brushes and travel cases, and creating environments.The biggest problem is the few missing pictures which are replaced with big Xs. This only affect a minority of pictures but is nonetheless a nuisance.0 of 0 people found the following review helpful. Okay, but one glaring problem...By Kindle CustomerLots of great info, helpful reviews, but quite a few missing images lost issue 1 a star. Great first effort, though. Don't give up!

The very first issue of TT Gaming the Hobby Magazine. A monthly magazine covering the tabletop hobby including

reviews, interviews, BatReps and project diaries.
