As a big fan of twinkiechan and her patterns, this book was a must have. And for anyone wondering whether her patterns are easy to follow, they are! They are a lot of fun to make, too. I'm currently making the cherry pie seat cushion (I nearly fell over in excitement when I saw the pattern, I just recently got bar stools that are in desperate need of cushions). Lots of fun and unique patterns that I cannot wait to make and give to my family and friends. 6 of 6 people found the following review helpful. Love it By tara mcmahan I per-ordered this as soon as it went up for sale. I own Twinkie Chan's previous book and I think just about every pattern she has out. I received Crocheted Abode this morning and tore right into it. The book has different sections: 1. Kitchen and dining 2. Living and Lounging 3. Bath Beauty 4. Home Office I would make almost everything in this book which I don't usually say. I have read through the patterns and the supplies and everything was easy to understand and the supplies are easily available at all the regular craft stores. If you love crocheting cute stuff or are looking into crochet I highly recommend the book! 9 of 10 people found the following review helpful. The patterns are

easy to understand and make the most adorable things! By K. Williams I've just got this book and have already made quite a few items from it! I've made the donut magnets and enlarged the animal cookie garland into animal cookie plush toys! I'm in the middle of making the tv dinner tablet cozy and I'm sure once I'm done with that I'm going to jump right into another project from this book! The patterns are easy to understand and make the most adorable things! I love that unlike most books this book uses yarn from craft stores, they are easier to find and not as expensive as some of the yarns other books use to create the designs. This is an excellent book and I recommend it for any crocheter.

Crochet the cutest food-themed home goods you'll ever see with Twinkie Chan's new book of patterns! Crochet designer and craft superstar Twinkie Chan is back with her highly anticipated book *Crocheted Abode a la Mode: 20 Yummy Crochet Projects for Your Home*. This is the follow-up to Chan's first book, which featured food-inspired crocheted accessories. In *Crocheted Abode a la Mode*, Chan unveils twenty new food-themed crochet patterns for crafters to follow as they crochet their living space into a cozier, yummiier place. The book is organized according to rooms in your house: kitchen and dining, living and lounging, bath and beauty, and home office. Helpful diagrams, step-by-step instructions, and colorful photos help crocheters of all skill levels create Chan's cute and cozy home decor pieces. Readers are guaranteed to find several adorable, food-forward patterns to bring to life with their crochet hooks-- everything from giant donut floor poufs to sweet honeybear aprons to savory corn dog pen cozies. Chan's signature style is cute, colorful, food-themed, and always functional, which highlights an attribute she likes to call "cute-tility." Her fun, unique designs are inspired by Japanese kawaii (cute) culture as well as her childhood collection of faux food toys. Her patterns appeal to crafters of all ages, and her warm, conversational writing style welcomes them into her cozy crocheted world, encouraging everyone to get creative. So, what are you waiting for? Let the fun unravel!
