BoyerTwisted Whiskers is one of the cutest things invented! Cute, cute, cute! Great to give someone to "cheer" them up and put a smile on their face.

Feeling sick, stressed or just plain down in the dumps? Not for long with the outrageous but strangely lovable "Twisted Whiskers" characters! These fun and funky photographs feature stretched tongues, popping eyes and crazy corkscrew necks that are both wacky and inspirational. Accompanied by amusing phrases with a get well theme, this funny "Miniature Edition" will have the reader springing back to their old selves in no time.
