Patrice Boerens : Two-Hour Cross-Stitch: Animals: 300 Quick Easy Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised Two-Hour Cross-Stitch: Animals: 300 Quick Easy Designs:

5 of 5 people found the following review helpful. CuteBy Skye NortonAbsolutely Adorable patterns to choose from. The only issue I had with the book is that the designs are in color blocks and every once in a while I have trouble counting exactly how many blocks or they seem to get off line for me. I would have liked it to have the stitched examples (which it does and are great) with a black and white symbol pattern to follow.1 of 1 people found the following review helpful. Easy and AdorableBy KRThis book is filled with adorable animals. The patterns are clear and easy to follow . The finished picture on the side of each chart is the actual size when done on 14 - count. These animals can be stitched for cards and scrapbooks. They can also be stitched on children's clothing. It is easy to change floss colors so you can personalize the designs. also sells Anchor floss in a 100 skein package. The floss and this book will work well together. The skeins may or may not match the charts, but who needs to be a slave to the chart. Have some fun creating and make these your own!0 of 0 people found the following review helpful. Five StarsBy KarenIts awesome has a lot of designs, works excellent for begginers or experts!

About the Author Trice Boerens is an established crafting author and designer who has written books for Sterling, American School of Needlework, Quarry, and Watson-Guption. Her areas of expertise include needlework, quilting, and paper crafts. She is the author of Lark's new 45 Quilt Blocks series and author of both the original Sterling/Chappelle Two-Hour Cross-Stitch and Two-Hour Cross-Stitch: Flowers, the previous book in this series. Trice lives in Ogden, UT.
