The paper included was pretty but we have yet to successfully fold anything correctly By Shannon Sautter We thought this was an origami book but it was just a sheet with vague instructions. The paper included was pretty but we have yet to successfully fold anything correctly.

Dive into the wondrous world of undersea origami! 36 sheets of origami paper in six eye-catching designs Each sheet of paper is printed with a pretty pattern on one side and a solid color on the other. The enclosed booklet teaches you how

to make six origami models -- a crab, a fish, a sea lion, a stingray, a turtle, and a whale. Step-by-step, illustrated directions are simple to follow. Recommended for ages 6 and up. Makes an ideal party favor, too. Kit measures 6-3/4 inches wide x 10 inches high x 1/4 inches deep.
