**From Nifty Accessories : Uniden BCD396XT Mini-Manual and Card Combo by Nifty Accessories** before purchasing it in order to gage whether or not it would be worth my time, and all praised Uniden BCD396XT Mini-Manual and Card Combo by Nifty Accessories:

The combo includes a full featured 24 page spiral-bound instructional Mini-manual, plus a Tri-folded Quick Reference Card for your wallet. Mini-manual size is 4.5x8 inches. Twenty-four high-quality laminated pages, loaded with detailed instructions and helpful information. The included quick reference card is a laminated three-page foldout pocket guide, the size of a credit card for easy carrying in a wallet or purse and contains short-form instructions for operating the scanner. The Mini-manual and Wallet Card guides are ideal ready references and memory joggers for programming and operating this full-featured hand-held scanner. BCD396T Note: Users have told us that because the

BCD396T operates almost identically with the BCD396XT they have found it very useful with that radio as well. Nifty! Ham Radio Mini-Manual Provides clear descriptions for all controls, setup menus and modes of operation. Simple step-by-step instructions, augmented with useful hints and explanations. Indexed and organized for quick access to what you need by mode of operation. Color-coded, clear and easy to understand instructions that clarify operation. Smaller, faster and easier to use than the factory instruction manual. Laminated for durability and water resistance, great for GoKits. Compact: 4.5 x 8 inches, fits in a map pocket, small enough to be kept with the radio. Program your ham radio wherever you are at. A essential operating accessory!
