I wish they were larger so that you can really see brush strokes and appreciate these wonderful paintings. 0 of 0 people found the following review helpful. Overall very nice. By JessieGreat pics. Disappointed that my favorite starry night wasn't included though. Other than that, these were perfect for the crafts I created. 0 of 0 people found the following review helpful. Widely regarded as the greatest and most revolutionary of Dutch artists after Rembrandt, Vincent van Gogh (1835-1890) produced hundreds of drawings and oil paintings during his brief career as an artist. Often employing violently interacting colors and forms in his work, he exerted enormous influence on the art world of his era. This excellent collection of 16 expressionistic masterpieces painstakingly reproduced in sticker format recalls van Gogh's brilliant legacy. Included are Sunflowers, The Bridge at Langlois, The Postman Roulin, The Church at Auvers, Vincent's Chair, Caf Terrace by Night, Siesta, La Berceuse, Self-Portrait with Gray Hat, Portrait of Dr. Gachet, and six others.
