**Jan Beaney : Vanishing Act: Machine Embroidery on Soluble Fabrics, Book 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vanishing Act: Machine Embroidery on Soluble Fabrics, Book 1:

1 of 1 people found the following review helpful. BEAUTIFULLY INFORMATIVEBy lyndeLike all of the books by Beaney and Littlejohn, this one is filled with great examples of their fabulous artwork and lots of good technique to back it up. All of that in less than 30 pages! Wish you also had their DVD's. Perhaps you would at least check on possibility of making these available, especially the double DVD, "In Stitches". Thanks.1 of 1 people found the following review helpful. I have recommended this book to three of my friends and they ...By CheriobabyThe author

of this book is very precise and clear with her instructions. I have recommended this book to three of my friends and they bought it. Such wonderful ideas that I can incorporate in my art work

The exciting process of producing machine-made lace by embroidering onto soluble fabric is described.
