Godeys Ladys Book : Victorian Alphabets, Monograms and Names for Needleworkers: from Godey's Lady's Book (Dover Embroidery, Needlepoint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Victorian Alphabets, Monograms and Names for Needleworkers: from Godey's Lady's Book (Dover Embroidery, Needlepoint):

7 of 7 people found the following review helpful. Great range but a little disappointingBy Diana YoungThis book has a great range of alphabet letters, but unfortunately many are small and did not enlarge very well for my purpose,

which was embroidery. It was published in 1974, so the transfer instructions are very out of date - there are much better methods now. I'm sure there would be more modern books which are better for embroidery monograms.0 of 0 people found the following review helpful. I ordered this to hand embroidery a monogram on a ...By margaret lewisI ordered this to hand embroidery a monogram on a quilt. Most of the designs were too intricate for the monogram I needed.0 of 0 people found the following review helpful. great bookBy Henry Lewgreat book

The Victorian woman put initials on nearly every piece of linen and clothing she owned everything from handkerchiefs and blouses to tablecloths, napkins, and towels. The modern needleworker may not be quite so avid about initialing everything, but initials and monograms are still attractive and popular ways of decorating common items. This book brings you a large selection of alphabets, initials, monograms, and common names from Godey's Lady's Book and Peterson's Magazine, the most popular American women's magazines of the Victorian era. Each is available in a variety of letter forms, so that you may find the most suitable for your sewing needs: scripts, floral, geometric, Old English, block, ornamental, and many more. Although eminently usable for embroidery, there are also a number of alphabets for crochet and needlepoint. You will find these motifs of the highest quality both easy to use and productive of professional-looking results. For traditional embroidery and sewing needs, these alphabets, monograms, and names are ideal but you will also find them applicable to a number of modern uses: for decorating blue jeans and hats, for patches, and even a variety of non-sewing needs.
