Sue Allen : Victorian Bookbindings: A Pictorial Survey (Chicago Visual Library) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Victorian Bookbindings: A Pictorial Survey (Chicago Visual Library):

Victorian Bookbindings is a survey of the decoration found on mass-produced bookbindings of the nineteenth century. The designs on these bindings traditionally have been viewed as a rich, often lavish and random, assortment of ornaments. It clearly identifies the different styles which emerged and declined within specific periods, and which were the product of the interplay between popular art modes and a dramatically changing technology.

From the Back Cover Victorian Bookbindings is a survey of the decoration found on mass-produced bookbindings of the nineteenth century. The designs on these bindings traditionally have been viewed as a rich, often lavish and random, assortment of ornaments. It clearly identifies the different styles which emerged and declined within specific periods, and which were the product of the interplay between popular art modes and a dramatically changing technology.
