Ruari McLean : Victorian Publishers Book-Bindings in Paper before purchasing it in order to gauge whether or not it would be worth my time, and all praised Victorian Publishers Book-Bindings in Paper:

0 of 0 people found the following review helpful. Book-binding must-read By Julian V. Hills Essential reference work and lively reading, accompanied by appropriate illustrations. Every word in the title is significant, especially "publishers' ": we are dealing here with original paper casings, not rebinds or later library covers. A treasure.
