From Dover Publications : Victorian Stencils for Design and Decoration before purchasing it in order to gauge whether or not it would be worth my time, and all praised Victorian Stencils for Design and Decoration:

0 of 0 people found the following review helpful. Short but excellent ideas inside. By Christine Shuck I can't wait to make some of these stencils! 1 of 1 people found the following review helpful. Beautiful Stencils- so many to choose from!!! By Tyler's mom I love this stencil book. There's so many cool stencils to choose from, It took me a while to figure out which one I wanted to work with first!!! I work with leather and suede and needed inspiration for new designs on my handcrafted Archery quivers and matching arm guards- and this book fit the bill. If you need inspiration too- get this book!!!! 0 of 0 people found the following review helpful. This book is full of great design if you're looking to stencil walls or do ... By Mootie This book is full of great design if you're looking to stencil walls or do fiber art or any other types of art it is a really good book

133 wonderful ornate Victorian pieces from German sources; florals, geometrics; borders; corner pieces; bird motifs, etc.
