Pricing has gone down on a lot of pieces and some have not changed in years. I always mark in each book the pieces I have and that way, if anyone wants to know if I have a certain piece, then I can always refer to my book. 0 of 0 people found the following review helpful. Department 56 handbook. By Dennis Miranda Very informative. 0 of 0 people found the following review helpful. Necessary for Dept. 56 Village Collectors By S. Mott A great reference source for all village pieces. Very detailed with photos, history and original values. This is the updated "GreenBook"
