Alison Jenkins : Wacky Doggy Knits: 10 Original Patterns for Your Style-Conscious Dog before purchasing it in order to gage whether or not it would be worth my time, and all praised Wacky Doggy Knits: 10 Original Patterns for Your Style-Conscious Dog:

2 of 2 people found the following review helpful. Why are there no sizes listed in this book?By Kindle CustomerNo sizes included. These patterns are clearly meant for three different sizes of dogs, as the patterns have one number outside brackets and two numbers within, but nowhere in this entire book are the size measurements listed. This is incredibly frustrating. Yes, I can probably go through and divide the number of sts. and rows in each pattern line by the sts. and rows in the gauge swatch, but why on earth should I have to do that? Why didn't the author make sure the info was present?Second issue: the sizing of the garments is inconsistent. There are some that are tight even on the small dogs, and others that are very loose (80's clubwear scale) on the golden retriever.Third issue: some designs are cute, others are either badly designed (the striped coat with a fleece collar has its belt situated between the dog's back legs--might work for a female dog, but not for a guy), or just look uncomfortable on the dogs in the pictures. I don't

understand how the author expects the beret to stay on the dog's head when there's no chin strap to keep it there (though that's really rhetorical, as I have never had a dog who would tolerate wearing a hat, so I wouldn't bother knitting one). In short, the book desperately needs an addendum with the measurements given for each of the three sizes, and if you're thinking about buying it, you should take a close look at each of the designs to see if the price is worth it to you. 2 of 2 people found the following review helpful. **MUST HAVE SWEATER BOOK FOR YOUR DOG!** By Diane Morgan **FANTASTIC MUST HAVE BOOK!!!!** Not only are the sweaters and hats **ABSOLUTELY ADORABLE**, the instructions are equally wonderful (which include some photos of how to finish). I don't understand the previous reviewers comment regarding Halloween costumes as these are sure to bring smiles any day! 2 of 2 people found the following review helpful. **Wonderful patterns for your dog** By CecI loved these - I don't know how many I will make, but I will certainly try. They are so much nicer than the average dog coat pattern.

Wacky Doggy Knits shows you how to create ten unique outfits to indulge your dog's every mood. Whether their yen is for a cool sailor top, a superhero suit, or a chic designer jacket, this guide offers the know-how to ensure they get their heart's desire. The patterns are easy to follow, so even if you've never picked up a pair of needles before, you're sure to get ideal results. Clear, flexible sizing within each pattern means that whether your best friend is a tiny terrier or a Great Dane, the outfit will be perfect. 10 original outfits, from bellhop uniform to preppy college sweater A Knitting Basics section with clear, illustrated step-by-step guidance Pattern sizes adapted to all breeds Color photos presenting a line-up of adorable furry supermodels
