Nathan Godfried : WCFL, Chicago's Voice of Labor, 1926-78 (History of Communication) before purchasing it in order to gauge whether or not it would be worth my time, and all praised WCFL, Chicago's Voice of Labor, 1926-78 (History of Communication):

Unused and Unread. No spine creases. No highlighting. No underlining or annotations. Examines 'the station's history and its dialectical relationship with the organized labor movement, the corporate radio world, and the federal government' from 1926 as a 'listener-supported station owned and operated by the Chicago Federation of Labor,' until 1978. 390 pages including Selected Bibliography and Index. U. of Illinois Press, 1997. Paperback.
