The Fast and the Fabulous! Looking for knits that take only a little time but are big on style? Weekend Wraps features 18 designs that make short work of knitting gorgeous accessories. Cecily Glowik MacDonald and Melissa LaBarre,

along with some of today's top design stars, have created a chic and cozy collection of cowls, shawls, shrugs, and ponchos. Many of these quick knits require less yarn than a sweater, making them the perfect projects for those special skeins you've been hoarding. The projects are all worked in worsted-weight or heavier yarn, so they'll fly off your needles, and keep you warm on a brisk walk in the woods, at an outdoor concert, or while strolling through town. Grab your needles and Weekend Wraps and you'll be ready for your next knitting getaway!
