before purchasing it in order to gage whether or not it would be worth my time, and all praised Weldon's 2D #195 c.1901 - Practical Teneriffe Lace Irish Tatting (Weldon's Practical Needlework):

0 of 0 people found the following review helpful. Five StarsBy Pedro RiosGreat Reference

15 Pages. This book give instruction in two rare and quite beautiful techniques of lacemaking. The Teneriffe lace work is made using pins, a needle and thread. The thread is wound from pin to pin and then joined and formed into motifs and sewn together for a border. The Irish Tatting work contains spectacular borders, edgings and insertions that are tatted in fancy patterns reminiscent of the crocheted version. This work is quite beautiful! REPRODUCTION
