to read!By L. HoldenThis book is easy to understand. You don't have to be a Bible Scholar to follow the ideas and reasoning. This book takes you step by step through the scriptures that reveal the Antichrist-Islam connection. Every one needs to be aware of the real Islam agenda and wake up to what is happening in our world today. I highly recommend this book.

A scholarly study of the symbols in Daniel and Revelation specifically addressing what role the religion of Islam will play in the rise of the Antichrist.
