Scott Monet : Whimsically Zany Zen Color Me Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Whimsically Zany Zen Color Me Book:

0 of 0 people found the following review helpful. Joyful Art-Fun from Head to ToeBy Don WeberExceeded expectations! Printed on quality paper. Perfect gift for all occasions. The designs themselves are clearly the fruit of a creative and fecund imagination. I so rarely have an occasion to use the word, but "pulchritudinous" fits here. Hour after hour of pulchritudinous and joyful art-fun from head to toe.

Please enjoy this collection of intricate and whimsical designs. Each picture is hand drawn and offered for your coloring pleasure.
