Kathryn Clark : White Christmas in Thread Crochet (Leisure Arts #3232) before purchasing it in order to gage whether or not it would be worth my time, and all praised White Christmas in Thread Crochet (Leisure Arts #3232):

0 of 0 people found the following review helpful. Beautiful, lacy Christmas Decorations, Great for Beginner to Learn Thread Crochet By Cynthia June Love this book, has a good variety of lacy, beautiful Christmas decorations. Many of the decorations can be made up quickly (not that anyone could tell!) and given as a "last minute gift", just in case. This is a great book for a beginner to try thread crochet. 1 of 1 people found the following review helpful. Wonderful crocheted snowflake book! By J. Clark I've been making crocheted snowflakes for years and enjoy giving them to friends and teachers for Christmas gifts. This pattern book has some BEAUTIFUL snowflake patterns! There are large, medium and small sizes--also some "icycles" and snowflake "chain" patterns too. I haven't tried the three-dimensional snowflakes yet. Each pattern has an accompanying photograph, so you can see what the finished

snowflake will look like. My only complaint is that there are no illustrations or instructions for how to do each stitch. (Even though I've been crocheting for 30+ years, there are times when I put it down for months at a time. When I start crocheting again, I've forgotten how to do some of the more complicated stitches. This is not a book for beginners. Still, the patterns here are VERY lovely. 0 of 0 people found the following review helpful. She is getting some pretty cool projects out of it. By Lary P McCollum My wife loves this book. She is getting some pretty cool projects out of it.

Make your "white Christmas" dreams come true next holiday season with a wide variety of Christmas ornaments and tree accessories crocheted using white bedspread weight cotton thread. The 47 designs include garlands, tree toppers, skirts, and ornaments.
