From Bella Books : White Lace and Promises [Paperback] [2004] (Author) Peggy J. Herring before purchasing it in order to gage whether or not it would be worth my time, and all praised White Lace and Promises [Paperback] [2004] (Author) Peggy J. Herring:

0 of 0 people found the following review helpful. Loved this story!By CustomerI have read this book about ten times the characters are interesting and the issue of depression is very serious that it can affect a person whole life. I would have liked to see more stories with these two characters in them. All in all a good book.1 of 1 people found the following review helpful. Unforgettable!!By SapphyI purchased and read this book in one sitting, which is not something I usually do. I love Peggy J. Herring's writing. I have always found it be passionate, her characters well defined and believable.Unforgettable is the only word I can use to describe this one. It's a must read, really. In "Those who Wait" I had found the characters to be fun, however they seemed a little shallow, but, boy was I wrong. Peggy did a magnificent job of giving them depth and believability. Well done Peggy, another winner!!0 of 0 people found the following review helpful. Three StarsBy judeThe writing style did not appeal
