Sarah Drew : Wild Jewelry: A Complete Guide to Making Statement Jewelry from Objects Found in Nature

before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Jewelry: A Complete Guide to Making Statement Jewelry from Objects Found in Nature:

8 of 8 people found the following review helpful. Wild JewelryBy S. MarshallThis is not the usual take on creating with found objects. These projects are beautiful, sophisticated and modern.There are sections on foraging for found objects wherever you live, including the beach, woods and city; showing that much of the material for projects can be found most anywhere.There is a variety of techniques used for making the pieces and each one has easy-to-follow instructions. A basic knowledge of jewelry making would be helpful but not necessary as the instructions are quite easy to understand.There is a great deal of inspiration to be found here and I would recommend this book to anyone interested in jewelry making of any type.2 of 2 people found the following review helpful. One of my favorite readsBy drc536Wow! I want to do this kind of jewelry design. Nice illustration, great patterns. Really cool ways of trapping stones, glass and other objects. One of my favorite reads.4 of 4 people found the following review helpful. Great Book!By ravensbrewThis book has some very unique ideas for using items in the wild to make jewelry. Good explanations and pictures.

Are you on the hunt for one-of-a-kind jewelry, and interested in putting your own spin on classic pieces? This

beautiful guide is complete with full-color pictures and step-by-step instructions on how to create unique pieces of contemporary jewelry from materials found in nature. You can use anything from paper, weathered wood, and tin cans to feathers, sea glass, and old vintage beads. The author is an experienced jewelry maker and offers expert advice on how to identify and choose various materials, showing each step of the process. Readers will be able to create a wide range of different designs and styles for rings, pendants, earrings, and more, and ultimately craft their own wearable, natural art. For those who are environmentally conscious, this book is a great way to create eco-friendly jewelry.

About the Author Sarah Drew makes and sells her jewelry through her website, galleries, women's fashion boutiques, and bridal shops worldwide; and has just opened a shop and craft caf at the Market House in St. Austell. Sarah has supplied her jewelry to Liberty, Harrods, and Browns Bride in London, and her work is also frequently presented in major fashion magazines. She is the author of *Junk-Box Jewelry: 25 Inspirational Budget Projects*. She currently lives in Cornwall, UK. Visit the author at sarahdrew.com.
