From Kim Hargreaves : Wilder before purchasing it in order to gage whether or not it would be worth my time, and all praised Wilder:

1 of 1 people found the following review helpful. Wilder Classics, but not too WildBy bashhLove the sweaters in this book. They are classics with what I consider a "British look" that can be worn by anyone. Most have some knit pattern stitch that make them interesting but not overly difficult to knit, although they may be for a slightly experienced. As always the book is beautifully photographed and printed0 of 0 people found the following review helpful. Patterns are wonderful.By Avid ReaderThis was exactly what I was seeking. Patterns are wonderful.
