Jennifer Pinkley : Wildflowers of America: A Grayscale Adult Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Wildflowers of America: A Grayscale Adult Coloring Book:

Have you ever wanted to draw amazing wildflowers? Now you can, with a grayscale photograph to guide you. Grayscale drawing is easy and rewarding. Just use colored pencils to draw over the gray shades in the images to add color, depth, and contrast. As you start to apply color, the underlying gray shades create richness and warmth to your drawing. You'll be amazed at the beautiful results! This book includes: 46 beautiful grayscale wildflower images for you to color 8.5x11 paper to maximize your drawing space A web address where you can see each original photo and the story behind it All of the images are printed on only one side so you can easily save your favorites This book

features photographs of wildflowers from many places the author loves to visit. Some of the photos feature wildflowers in remote forests tucked away on Tennessee's Cumberland Plateau. Other photos feature hardy flowers that thrive in the red rock deserts of Utah, soaring Montana mountains, and remote river valleys. Let your imagination run wild as you make grayscale wildflower drawings leap to life in full color!

About the Author Jennifer is a writer, hiker, caver, and photographer living in the rolling hills of Tennessee. She loves to write about history, nature, caves, and the environment. She's created a series of grayscale coloring books featuring landscapes, flowers, and historic destinations across the country. To learn more about Jennifer's books visit www.rocketcitybooks.com.
