Ben Law : Woodland Craft before purchasing it in order to gage whether or not it would be worth my time, and all praised Woodland Craft:

1 of 1 people found the following review helpful. Great woodland craft reference!By Derek MacInnisA great book full of inspiration. I recommend it to anyone interested in greenwood crafts or forest permaculture. I've read it and gone back to it over and over...always useful.1 of 1 people found the following review helpful. perfect for crafters and woodworkersBy Mr. FowlerThis book is everything I hoped and dreamed of. I will be trying each craft in turn and learning many new things. This book is well worth the money.0 of 0 people found the following review helpful. Most informative and serves as a very good reference manualBy Mr Maurice BradleyLives up to its title. Covers virtually all aspects of country skills and crafts. Most informative and serves as a very good reference manual.

Celebrate the splendor of wood with these wood-crafting projects. From simple woven panels to making a functional yurt, Woodland Craft features an array of easy-to-follow projects that include crafts for the farm, garden, wood fuel, building and domestic use. In fact, theres something here to satisfy all your project desires! Green wood wood that has

been recently cut and is therefore still moisture-rich is the predominant material used in the projects featured in this essential guide for craftsman of all levels. Be inspired to work with one of nature's most beautiful and classic materials. Wood can offer you the look and feel, and even scent, that no other natural material can provide. With *Woodland Craft* you'll learn all you need to know about tools and devices, both old and new. You'll browse through the handy directory of tree species and identify the best uses for each. You'll appreciate and admire the massive display of illustrations and photographs throughout—nearly 700 combined! And you'll gain the insight you need to make practically anything out of this clean, crisp, beautiful element.

About the Author Ben Law, woodsman, craftsman, eco-builder, teacher and writer, lives and works in Prickly Nut Wood in West Sussex, UK. The building of his unique woodland home was featured on *Grand Designs* in the UK and was voted by viewers as the most popular episode ever. Ben runs courses on sustainable woodland management and permaculture, runs a specialist eco-building company and trains apprentices. Ben Law is the author of several books, including *The Woodland House* (Permanent Publications, 2005), *The Woodland Year* (Permanent Publications, 2008), and *Woodsman: Living in a Wood in the 21st Century* (HarperCollins, 2013). www.ben-law.co.uk.
