The design is fabulous, especially the whimsical style illustrations. There are a lot of wonderful patterns in here, from beginner to more advanced. The instructions seem clear and concise. The only issue I have with this book is that all the yarns used are created by the author, which is fine, but I prefer to have some more options. I can not wait to get started on some of these projects. Adorable little handkerchiefs to very cute costumes and sweaters.

There are even hats! I would have loved to have seen a blanket and/or bed pattern to really top off the variety, but no such luck. 5 of 5 people found the following review helpful. Doggie Sweaters Galour By T. Tinker Great knitting book for doggie sweaters. Many patterns with great directions 0 of 0 people found the following review helpful. Great dog sweater knitting book! By fourpugs I haven't made a sweater yet, but the instructions seem clear and there are many knitting patterns for dogs in here!

Knitting's gone to the dogs and it's absolutely adorable!
