I was so pleasantly surprised when I saw not only the quality of cardstock but also the quality of pictures that were included in these postcards. They absolutely frame my big poster perfectly my classroom is ready for the start of school on Monday.0 of 0 people found the following review helpful. This original collection of GI Generation posters recaptures the heroic spirit of the Second World War. Vivid

reproductions of two dozen morale-boosters include Norman Rockwell's famous "Four Freedoms," C. C. Beall's iconic portrait of the Marines raising the flag at Iwo Jima, and other dramatic, inspiring exhortations to buy bonds, volunteer, and work together for victory.
