Richard Kollath : Wreaths: Creative Ideas for the Year Round before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wreaths: Creative Ideas for the Year Round:

0 of 0 people found the following review helpful. Book review By Debi This was not a good book for inspiration to make wreaths. Most of the pictures were not even photo quality for a floral book because the lighting in the pictures made them look dark and hard to see the detail. Additionally for someone just beginning this would not be the book to buy. It had no description or list of the flowers and materials used, even if you wanted to replicate a specific wreath. Initially I was attracted to the book because the partial picture on the front cover looked good, however, it's not even in the book at all. I'm really disappointed with this book.

0 of 0 people found the following review helpful. Five Stars By Di Love this book!!!!

Beautiful wreaths are expensive to buy but surprisingly easy to make. Richard Kollath presents specific instructions and demonstrates techniques for creating more than seventy-five traditional and unusual wreaths.

About the Author Richard Kollath, a craft designer and contributing editor at COUNTRY LIVING magazine, is the author of several craft and home decorating books. He lives in Walkill, New York.
