**From Nifty Accessories : Yaesu FT-60R Tri-Folded Reference Card by Nifty Accessories** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yaesu FT-60R Tri-Folded Reference Card by Nifty Accessories:

0 of 0 people found the following review helpful. A must have for ham radio By John This card has all the basic function for the radio and is easy to carry in a shirt pocket or in your radio bag. 1 of 1 people found the following review helpful. Decent guide to programming/operating the Yaseu FT-60R handheld transciever. By Customer Quite condensed summary of many of the programming steps for the Yaseu FT-60R. Helps you recall the various key entries to program various aspects operating the FT-60R until you have memorized them. A lot of stuff compressed into a tiny foldout card. 0 of 0 people found the following review helpful. Four Stars By Joe Nice reference, but you may need reading glasses or a magnifying glass.

Tri-Folded Reference Card. Laminated three-page foldout pocket guide, the size of a credit card for easy carrying in a wallet or purse. High quality printing on both sides. Nifty! Handheld Transceiver Tri-Folded Reference Card Condensed setup and operating instructions that simplify radio setup and programming. Simple step-by-step

instructions, augmented with hints and explanations. Color-coded, clear and easy to understand instructions, with printing on both sides. Tri-folded pocket guide easily fits in a wallet or radio pouch. Smaller, faster and easier to use than the factory instruction manual. Laminated for durability and water resistance, great for your wallet or GoKit. Program your ham radio wherever you are at. An essential operating accessory!
