The history of the first ten years of Microcosm Publishing, told in graphic detail! For the first time ever, read about how we got to where we are today through working long hours at low (or no) pay! Join us on our journey through starting out in a bedroom, putting out records, growing, moving to Portland, publishing books, growing, moving into an office in Liberty Hall, amassing more zines than anyone could ever konw what to do with, and more. A fun foray into getting inspiration and perspective for making your own projects.
