Sydney Park Brown, Rick Schoellhorn : Your Florida Guide to Perennials: Selection, Establishment, and Maintenance before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Florida Guide to Perennials: Selection, Establishment, and Maintenance:

0 of 0 people found the following review helpful. Decent amount of pictures although could do with more of ...By SiestaDecent amount of pictures although could do with more of the plant from a distance rather than the flowers from close up. Author really seems to understand the many challenges of gardening in Florida.3 of 3 people found the following review helpful. Great book for FL residentsBy K. SchneiderI read about this book in the local paper and was

very pleased to see it has extensive color photos of all the perennials. A must to have for those who need to learn more about FL plants and flowers. 0 of 0 people found the following review helpful. Will buy again!! By Jane Stevens GREAT reference book. I am a Realtor in Florida and this will be my "Go To" book for all my clients that are into landscaping!!

From old favorites to new varieties, successful perennial gardening begins with this book.

"This book provides an overview and illustrations for the hardiest perennials for Florida gardens." About the Author Sydney Park Brown is an environmental horticulture agent for the UF/IFAS Extension Service. She has produced numerous educational videos, CD-ROM programs, and Extension publications. She also writes a gardening column for the Tampa Tribune. Brown is the recipient of the Florida Nurserymen and Growers Association Outstanding Horticultural Writer award.
