characterseither update hardback title to include mini or STOP SELLING THE "MINI" BOOK.0 of 0 people found the following review helpful. TinyBy fallingxmaceIt would be nice if would put pocket version, or tiny version, or something of that sort in the title so people wouldn't purchase it thinking it was a hard cover version of the original paperback. But, I suppose it's my own fault for not reading the fine text in the middle of the page. That, and I didn't read the other reviews that say the same exact thing.0 of 0 people found the following review helpful. Very informative. A little too extensive on what could ...By Bart HarperVery informative. A little too extensive on what could go wrong week by week. Those parts made my wife anxious, even though our baby was perfectly healthy.

This highly successful trade bestseller is now a Miniature Edition. Written by an experienced doctor and a family health expert, this generously sized abridgment is updated, fully revised, and packed with critical information. Find out how your baby is developing, changes in your body, nutritional information, essential tips, and weekly exercises that are safe for you and your baby. The week-by-week format and helpful line drawings throughout will keep soon-to-be mothers informed at every stage of their pregnancy.

About the AuthorGlade B. Curtis, M.D., M.P.H., F.A.C.O.G., is board-certified by the American Board of Obstetrics and Gynecology, and a Fellow of the American College of Obstetricians and Gynecologists.
